HEARST'S ISSUE.

Shall Tammany Be Maintained Or Overthrown?

New York, Oct. 9.—William R. Hearst's entry into the contest for the mayoralty of Greater New York, attracted widespread attention today and marked the opening of what is expected to be a hard fought campaign. The main issue as defined by Mr. Hearst is whether the control of the government by Tammany is to be maintained or overthrown.

The Civil Alliance under whose auspices Mr. Hearst will run today began the circulation of petitions for the nomination of Hearst on an independent ticket. The acquisition of the required number of signatures will be an easy task.

Anti-Tammany men say that even if Justice William J. Gaynor, the

the required number of signatures will be an easy task.

Anti-Tammany men say that even if Justice William J. Gaynor, the Democratic nominee, is elected, they will accomplish the real practical defeat of Tommy if they put in office. feat of Tammy if they put in office the nominees on either the Republi-can or the Civic Alliance lists below the head of the ticket.

A Tammany mayor, they say, would be nearly powerless without control of the various boards operating the city government. At the same time, they point to Judge Gaynor's recent refusal to accept responsibility for the minor candidates on theticket with him as evidence that if elected without his associates on the ticket be will refuse to stand on the ticket be will refuse to stand on the ticket he will refuse to stand as a Tammany mayor.

For these reasons unusual attention

is being concentrated on the minor nominees. There is little doubt that Mr. Hearst's ticket will contain nearly all, if not all, of the candidates for the city offices below that o mayor already nominated by the Re publican fusion ticket.
